Mr Fred Mc Clary
1833 Fitzwater St.
Phila. Pa.

Dear McClary:

I received your letter, and not answer sooner, because I was hoping to see some of the baseball people and talk to them. I don't know when I have been more disturbed about anything than I am the umpire situation in our league today. One of the reasons it hurts so badly, is because it looks like the owners are being accused of being unfair to labor. I don't know how the rest feel but a thing like that really hurts me. Everyday I realize more and more how out of place I am in the baseball.

Gottlieb called me yesterday to say things were working out alright. He said he might send you to Newark Sunday. If so we will have a talk. If not Sunday I am sure you will be here Friday. We are playing Friday night May 25th. Can I look for you to work that game? If so let me know right away.

I am enclosing you the statement you asked for. If you don't understand it I will explain when I see you.

I am sure things will get straightened out I am really sick about it all.

Very Truly Yours
